

ST GEORGE & SUTHERLAND SHIRE REFUGEE SUPPORT GROUP

**Interested in supporting newly arrived migrants
and refugees living in our local community?**

**We aim to assist the needs of
refugees living in our local community, visit Villawood detainees
and advocate for refugee rights. The focus of the group is
entirely driven by our members.**

**Please join us in assisting refugees in our local area as well as
lobbying to address systemic issues.**

ST GEORGE & SUTHERLAND SHIRE REFUGEE SUPPORT GROUP

Our Refugee Support Group is divided into 3 working groups, each focusing on a specific area of assistance. These include:

- 1) Practical Support:** Providing Homework Help at Menai High School for students from Refugee backgrounds

- 2) Raising Awareness:** Generating community support and awareness through events and activities in our region, such as film screenings and stalls at local festivals

- 3) Visiting Villawood:** Dedicated members of our group visit detainees in Villawood every 2—3 weeks to provide emotional support and assistance.

As a larger group we come together quarterly for training and to learn from exciting guest speakers. Our next meeting will be our end of year celebration on November 19.
